		Freeze Frame
		Red 107

Pink 2324 is one of the very best does we have to offer. She is a compilation of some of the top producing and most valuable genetics in the country. Major League is producing giant beautiful offspring consistently across the entire industry, Triple Crown and Freeze Frame both are top of the industry sires and double Tasha in this pedigree, and most importantly Red 107 also sits on the bottom line of Moneytalk's and AC/DC's pedigrees, which means this doe anchors to the famous Green 8. Green 8 is without a doubt the most productive Hardcore Sister ever. We will guarantee this doe to breeding age and place her into our Flush program if you would like. This is an opportunity to invest in one of the very best, no matter what State your Farm is in.
